

Lawrence Democrat

TUESDAY June 1st - 1890

We have no record of her birth & she is buried in Tennessee.

The Clarksville Progress is urging that the Buchanan men and the Baxter men get together and compromise on Baxter.

TEACHERS LOOK OUT!

I will be in Lawrenceburg on Mondays and Saturdays in June but no longer.

W. K. LUCKY,
Co. Sch. Supt.

The Democrats of the Senate have decided not to prepare any tariff bill, but will submit a minority report, and content themselves with offering amendments. By the adoption of this policy the Republicans can be put upon the record in a way that will be very fatiguing to them in future campaigns.

Two more Democratic Congressmen have been ousted and their seats given to negroes. There are now three negroes in Congress. Cheatham, of North Carolina, who was duly elected, and Langston of Virginia, and Miller, of South Carolina, who have been given seats in order to swell the Republican majority.

The Ohio Democrat says as it now stands it looks as if the next Governor's name would be Patterson. But there is Wheeler, Buchanan and Farmer Jerry and the amiable and gentlemanly Taylor each with ardent followers, and there is no telling what a convention may do.

The prohibitionists have nominated Rev. D. C. Kelley as their candidate for governor. Davy is a lively little cuss (we speak of him now politically) and is able to make it interesting for any one who would divide time with him, but there is no show for his white ally in this state.

To such desperate straits is the g. o. p. reduced that it staggers at nothing. The lame defense of Quay by the Lawrence Union was laughably ridiculous. If the Union can't trot out any better pelfers of the boss boodler than that in reply to the charges of the Clifton Times it had better follow the example of its boss and preserve a "sullen and dogged silence." The Union as a defender is not a conspicuous success.

The much maligned census enumerator is an agent of this great Government and you must not treat his inquiries with contempt. When therefore he appears at your front gate and in the name of the United States of America asks, "does your dog bite?" we hope you will thoroughly enlighten him upon this point. The returns upon this question will be tinged with all the tragic interest of a bloody shirt oration.

AMERICAN.

It is worth remembering that no newspaper is printed especially for one person. People who become generally displeased with something they find in a newspaper should remember that the very thing that displeases them is exactly the thing that will most please somebody else that has just as much interest in the paper as they have. It takes all kind of people to make a world we are told, and the patrons of a newspaper are made up of the elements of the world. A man may have a dislike for tobacco, but he is not foolish enough to complain of his grocery man because he keeps it for sale.

Not the least infamous feature of the Republican tariff policy is the 90 pr cent. rebate provided

for in favor of imported raw material and foreign consumers. The McKinley bill induces this rebate to 40 per cent. Under this provision the American manufacturer who uses exclusively imported raw material, and produces an article exclusively for foreign exportation is given practically the benefit of free trade while foreign consumers of the product are made the recipients of a valuable favor that is denied to consumers at home. It is in brief, a most unjust and outrageous discrimination against American raw material, American consumers, and American industry.

ED DEM-

Look out for Jerry or Jeri Baxter's Quays, Dudleys and Steve Elkins &c. They have at struck this part of our country as yet, but we are expecting them daily. That they will have boddle in quantities, no one who is acquainted with Baxters methods will doubt. The man who would exchange his birthrights for soup, for a small quantity of filthy lucre should have the brand of Cain put upon him. Jerry or Jeri Baxter may be Governor, but if he is it will be boddle only. If you see a man who has heretofore presented a very seedy appearance and lived from hand to mouth and couldn't pay his just and honest debts come out suddenly in a new suit of good clothes and with plenty of money and spending it lavishly for red licker and stalking around like a clever fed bull as he talks

Baxter, you may know that he has been Jerryandered or that Quay, Dudley or Steve Elkins has paid him a visit-The Lord have pity on such a man for he knoweth not what he doeth.

INDIANS
June 5th 90.

Forty counties have up to date appointed delegates to the gubernatorial convention. Careful investigation shows the following to be the relative strength of the candidates.

Buchanan—Blount 10 votes, Cannon 12, Grundy 9, Tipton 24, Van Buren 5, Greene 10, Hamilton 4, Warren 20, Marshall 23, Hardeman 20, Stewart 13, Lewis 3, McMinn 9, White 17, Williamson 11, Total 196. Patterson—Andersen 8, Campbell 6, Shelby 119, Green 3, Hamilton 10, Hawkins 8, Morgan 2, Ross 6, Sumner 8, Claiborne 4, McMinn 5, Williamson 3 Total 181.

Baxter—Bradley 10, Cumberland 5, DeKalb 15, Grainger 16, Hancock 5, Jefferson 8, Johnson 2, Washington 16, Polk 7, Green 9, Hamilton 30, Hawkins 10, Morgan 1, Rhea 6, Sumner 8, Claiborne 6, McMinn 2, Williamson 9, total 159. Davidson's 98 votes will run Baxter to 257. Joe M. Taylor-Benton 11, Chester 6, Decatur 9, Henderson 16, Madison 32, Henry 22 total 96.

Danie-Montgomery 27. Not one half of the counties in the state have thus far acted, it is seen. Buchanan, Baxter and Patterson are well backed in the lead. Mr Patterson has only, 62 votes thus far outside of Shelby county. Ali of Baxter's and Buchanan's votes are from other localities than their own counties, which have not yet acted, but which each will get.

Baxter is second choice to Buchanan in Cannon 12 votes, Henry 22, Grundy 8, Van Buren 5. Total 48.
